“ *It's years later but I never had the courage to say how I really feel. I miss you so much. If you weren't acting like my brother you were being the best uncle anyone could ask for. Me and momma cry for you a lot. I try not to because I know you wouldn't want me to cry while your peaceful. God was ready to bring his beautiful angel home but I wasn't ready for you to leave. I wasn't done laughing and playing with you. I wasn't done begging you for ice cream or our late night rides to Mc.Donald's to get a whole bunch of chicken nuggets that we never finished. I wasn't done seeing who could eat the most of a gross combination of food. I wasn't done acting like we could sing and dance even though we knew we weren't any good. I still have the scar on my back from when you put me on you shoulders and rammed me in the tree. Im proud to call you my uncle. I really miss you and I'll always love you Uncle Jason. Forever and always in my heart💜!*
