“ *I worked with Jason for 16 years. He was a pleasure to work with. Never heard him say one bad thing about anyone and I've never heard anyone say anything bad about him. He was kind of a reserved guy, but if you took the time to talk to him he would open up. We shared some talks about life and shared some laughs. My husband and I thought a lot of Jason. He made me some cds of the music I wanted played at our wedding. I don't work there anymore but I know his coworkers are missing him terribly. Rip Jason we will never forget you.*
