“ I've had the pleasure of knowing Mrs Kelley for couple of years now. She was always smiling and laughing. She will be missed dearly. I'm so glad I got to see her and hold her hand one last time. I knew she was a special lady. When I read that she helped people with transplants and what she accomplished in her life. I didn't know that about her. She was the best kind soul for that awesome job. We will miss her deeply. Prayers and love to all her family. Melanie Sanford
