“ She was the mother of one of my best friend Bob, we all met in the same new Development of Colts Glen NJ starting in 1967 and kept in touch off and on for many years. Tried to track her down for about 10 years but to no avail. ‘Fine lady’ does not do justice by her, she was a person that had kindness for everyone and her positive attitude was catching. I will miss her but have always the strong memories in my heart.

“ Jean was a beautiful sweet Fun lady. I always enjoyed her stories and her adventures. I Loved doing the Fashion Shows for her to raise money for Animal shelter. She Loved animals as much as people. Her smile and twinkling eyes remain in my heart. Thank you for being apart of my life for so many years.

“ Such a beautiful lady. I so enjoyed all the time I got to spend with her. Many beautiful memories she shared of her life and her family. I could just picture all the wonderful places she visited through her life time . Trips to ATLANTA to visit with Betty, lunches at her favorite restaurants, trips to take her precious baby Musie to the park. I'll never forget this precious lady. My prayers are with all the family. “ I never had the opportunity to meet Jean, but have heard so much about her from other Oconee Humane Society Board members. She helped to significantly improve the possibilities for abandoned and homeless pets to find their forever home and live better lives - she will be remembered for her hard work and dedication to a cause she believed in.

“ Unfortunately, I never had the pleasure to meet Jean. But as the current board president of the Oconee Humane Society, I have learned of her generosity and tireless efforts on behalf of pets in in our county. Although there is still much work to be done, Jean's legacy will live on with every pet and pet owner we assist.
