“ *Dear Lynn, John, Lisa and family as a whole,*

We are so sorry to hear of the loss of your mom. Lynn, I love you... You'll never know what it meant to me to have you for a friend in middle school and to have a mother like yours when mine was struggling with divorce. I think I was at your house enough that she and your dad could have claimed me on their income tax. Jeanette was so good to me and one of the best mothers and sweetest spirited women I have ever known. I'll never forget the pink baby blanket and pillow she made for Katelyn. I loved it then, but I will cherish it so much now.

Again, We are so sorry and We love you guys immeasurably!##imported-begin##Gigi and John L##imported-end##

“ You all know how much our family loved Jeanette. She had a way of just accepting everyone in our family. I realize that God allows people to be born into their families, but some of us are blessed enough to be adopted into special families. Our family is one of those blessed families that was adopted into the Baxter family out of common needs for a loving family. Jeanette always wanting to find something for Israel while at yard sales or send chow-chow to Donnie was just a couple of the wonderful ways she showed her love. Thanks to all of you for sharing your family and love with us. We will continue to pray for you all. We love you.
