“ I am sorry to learn, belatedly, of Jean's passing. I was a friend of her neighbor Bill Dugan and knew her for a brief period in the late 1960's when she and Bill would stop over and we would play a Parker Bros. card game called "Coup d' Etat". She was vivacious, witty and would make hilarious jokes at my slow play. I see she went on to have a large and wonderful family. My most profound condolences to her family.
