I once said that I'd always believe ! going on now , I can say I believe in fairy tales , I believe in families , I believe in true love , I believe in our father above . he is why I am still here ,he is why I still believe ,he is why our babies past , I have asked him for 1 more chance , but all I get is I beleive in fairy tales , I believe in families , I believe in true love, I believe in our father above ,and I believe this is why he says trust in Me , believe in Me , follow Me and YOU will see just what I have planned for u and then u will see your babies above so beautiful and perfectly sweet, now u know why I believe in fairy tales , and this is why I will not cry , though, I will stand strong and tall over Jenissa and Jelissa grave ,

NOW I let my BABIES REST IN PEACE waiting for MOMMY and DADDY to be released from this terrible world down belowlove Mommy (Jessica) aka > HONEY .. LOVE YA FOREVER GIRLS !!##imported-begin##MOMMY##imported-end##

“ *I know I have already signed this twice, but I can't stop thinking about you both. I really want you to know how much we are here for you and how much we love you. Bo, you know I have always been close to you all and how much I have taken up for you all even your mom (just ask Ken!) and I know the hurt and the memories will never fade away, but in time it will get easier, but you have to talk about it sometimes so they aren't forgotten! Well looks like I have to stop now, but I miss you all and hope to see you all soon. Call me anytime. Much love, the one & only Cerrow:)(the great one & only) so aunt sue doesn't think I mean her!!:)###imported-begin###Cerrow & Family###imported-end##*

“ I do not know your family but I do know your loss very well. In 2003 my son lost his precious life at only 3 hours old. He was the most precious little guy I had ever seen. There are no words that I can say to make the pain go away but I can pray for mom and dad and the rest of your family. If you would like to talk to someone that has been where you are I am leaving my e-mail address for you. I am so sorry for the pain you are going through!

“ I cried for you last night. It's so unfair for you to lose your babies knowing how excited you were and people who don't want them just throwing them away. Things will work out in time, but please call me if you need anything. And from now on I will enjoy ALL the good and terrible 2's my son puts me through no matter how bad they are or how mad I am. Ross almost lost me and Devan so we have an idea of how you feel..not many people know this. God is looking down on you and Honey talks to my son all the time so know he is watching over yours. That's the best feeling in the world, Believe me on that one as my son never met Honey and he knows almost more than I do about him. Much love to you both. --Cerrow##imported-begin##Cerrow##imported-end##
