“ My prayers to Sally and family on the passing of my friend- Jerry. Jerry and I worked together at the Outdoor Lab for ten years. He was always kind and joyful with a twinkle in his eyes. He could fix anything and was always ready to lend a helping hand. I am fortunate to have known him and look forward to seeing him in heaven.##imported-begin##Norman McGee##imported-end##

“ We are painfully aware that words alone can never take away the grief we feel when we lose those we love. Sally and family, we wish you to know that you are in our thoughts and in our prayers. I have known Jerry since second grade, he was a "salt of the Earth" person, loved by all and he will be sorely missed. May God bless you and grant you his healing peace.
