“ Ann,
I am so sorry to hear of your husband's passing. I understand the loss you feel. I wish I could say that over time the loss won't seem so overwhelming, but after nearly three years (of my own husband's death) there are days I feel as if I can't breath. I am waiting for the morning I will wake up without feeling as if Danny isn't lying beside me. I'm sure I'm not helping, but I just want you know that there is someone who understands the immediate feelings you are having as well as the emotions you will have down the road. You and your family are in my prayers.

“ *Jerry Leopard was 16 and our Best man at our wedding in 1965. He was playing with my ring and lost it in the grass. It took him quite a while to find it and was scared to death since Bud had told him not to loose it! Jerry did not tell me about loosing my wedding ring until our 50 th Anniversary.*
