“ *I have great admiration for Jerry, his humble beginnings and the life he built for his family. He cared very deeply for his family and his grand children. I know that Maureen and Matt are grateful for all that Jerry did for them as a step father. Jerry's sausage gravy has never been and never will be matched. Rest peacefully Jerry.*

“ I can remember sharing many a margarita with Jerry. His homemade batch from the freezer, little bit of lime on the salted glass rim.... Jerry made them great. Spent many summers at my Mom and Jerry's lake home, very fond memories. Jerry was a generous man. He became my stepfather, and my sister and I could not have asked for a better person. Grandfather to my children as well, he will be missed.
