“ *RIP, Bronco. He was one of the very toughest individuals ever. Never forget the time in Lamar, Missouri when that bronc flipped head over tea kettle and the cantle of the saddle buried into Jessie's lower back. It looked like he was hurt bad, or maybe even worse. I was the first one to him and he had the wind knocked out of him. The first thing he said was "gimme another one."##imported-begin##Mat McClain##imported-end##*
