“ Judy was a sweet lady and I feel fortunate to have shared part of my life with her. She was a true friend and I enjoyed her passion for her job and her commitment to doing things right. She brought a smile to my face many times during her interfacing with “ customers” in her office. She was a lady In all sense of the word and I have the utmost respect for her. Will never forget and will always love Miss Judy.

David and Mike, I enjoyed working with Miss Judy for many years at Oconee. She was a stickler for accuracy and I got fussed at many times. I sure enjoyed it. After I learned to get the cards right, I would occasionally intentionally make an error just to get a lecture. I am sorry for your loss Mike and David. Radar
