“ *We are very sorry for your loss. What we remember most about Jill is her love for her children. Our kids played baseball with her son. One practice, my husband decided to setup a slip and slide to help teach the kids how to slide. In pure goofiness, Jill and I took our turns. The kids loved seeing that. She really enjoyed doing things not only for her kids but more importantly WITH her kids. I hope her children always remember the fun they had with their mother and her love for them.
