“ Dad today was a hard day for me. You were and always will be the best father in law I could ever ask for. You were more my dad than in law. Thank you for everything you have done for me and your son helping us get started when we first got married and throughout the years. You are a great papa to my babies and they will always know how much their papa loves them. It was so hard today to watch the love of my lifes heart break to lose his dad and best friend and my babies lose their papa and I lost a great dad. We love you and will see you again one day. Ethan says you are building us a big house with a pool for when we get there. Can't wait We love you dad.##imported-begin##Elizabeth Winkler##imported-end##
