“ I am so sorry to hear of Jo Ann's passing. Her name brought back some wonderful memories for me and my time on "the villiage" in Seneca. I lived in Walhalla but my girl friend was Betty Clark. Betty and Jo Ann were very good friends. After coming out of the Navy in 1959, I went to school in Chicago and lost track for many years. I was able to talk to Betty once before she died and also to Jo Ann but never met them again. So sad to see these wonderful old friends pass away. My prayers are with Jo Ann's husband and family. “ I'm saddened to hear Joann has left us. I knew her starting in the late 60s when she drove a nice 57' Ford hardtop convertible. She worked at Sangamo Electric (ITRON now) and did an excellent job as a single-phase meter calibrator for years. I was very fortunate to have her as part of the dept 133 Final assemblies and test team. She always had a smile on her face with a positive attitude towards her fellow team members and team coach. She will definitely be missed by many. May God be with you, Joann.

“ Donnie, Tim, Rickey, Chris, Please know our thoughts and our prayers are with each of you as you say your final goodbyes on this earth to Ms Joann. I have always thought the world of her. I used to love being around her and Aunt Pat when they were cutting up and just being sisters. Both could be so funny. Both were good sisters. Just know we will see all of our loved ones again some sweet day. Trust God for your comfort in the days ahead. Praying for you all,
Love you guys
