“ *I remember well all the times I spent with Her and Frank and Pam but I especially remember when they lived in Charleston and I would go for visits and stay for a few days. Those were the best. All the lessons I learned about our family and the funniest names they had way back when. So thankful for these memories and many more. I Love You Frank and Pam*

“ *Prayers for the Crane/Crosby family! The kids and I loved Nana Crane so much. We will always remember our visits to the mountains to see her. She was so happy to see all of us coming, but sad to see us leave. She was the sweetest, most loving person with the best personality . She was one of a kind, and she will truly be missed.*

With love, Kasee, Baylee and Brayden ❤️

“ Geary and I met "Prissy" through her son, Randal. She always treated us like family and was always glad to see us. Although we didn't live near her we did try to go by and see her whenever we were camping at the State Park. Our thoughts and prayers are with her family and friends. She was a special lady and will be truly missed. Love and Prayers,

“ *RIP Nana. You're home. I can only imagine the smile on your face when you saw who was standing on the other side, waving you home. You were the most resilient person I knew. Always gave it to me straight. Always loved my surprise visits.. you always made sure I knew how much you loved me. I can't wait to join you when it's my time. Give Daddy, Adam and Papa a big hug and kiss from me.*

“ *Laverne Crane is a very special Lady, she could make the best pizzas ever, she loaded it up with all the toppings, she was a great listener when you had problems and didn't hold back her opinion whether you like or not. She has been through many trials and tribulations, she was always asking for prayer and she would always tell me she was praying for me. It is bittersweet for me, but I know Laverne was tired and missed those who went before her. I love you Vern! You can rest now!*
