“ Terri, CJ, Dovie, Keely and Ms Janet I am praying for you guys and your family. Ms Joan was a inspiration and mentor to me and to so many others in our community. She had a way of spotting the children that needed extra attention and love and touching our hearts in ways that we carry with us through the years. I will always cherish the love and friendship shared in her home as Terri and I grew up together. I always thought of Ms Joan as a more than just a girl scout leader and teacher, she was our friend and a second Mama to me when life was unimaginably hard. She taught my oldest in Kindergarten also and I'll never forget how during some of our harder times she would drop in to check on us and sit under the shade tree with Daddy and I. I'll always be thankful for all those times, even when she had to fill my ears so much it made them burn because I knew what she was saying was true and that I needed to listen to her. She loved big and was a true example of how God sets our own paths to be fishers of men. Love you all so very much. Love to you all, Georgene
