“*Dear Dave and family,
Joan was one of the first neighbors we met while walking our dogs back in 2017 when we first moved here. Since then we got to know her mostly by seeing her on our walks and stopping to chat. What a special, inspirational woman she was! We loved her sense of humor, her laugh, her stories and conversations of home ownership at the lake. We were so excited to be able to visit with you both this past summer at our neighborhood picnic...it made my day to see you both again! Our thoughts and prayers are with all of you as you say goodbye to Joan...along with faith that you'll be together again. What a blessing her life was to so many people. May all the good memories bring you peace...

“ Dave and family, The passing of Joan is a huge loss to us all. We were fortunate to enjoy 14 sun-filled years of being her lake neighbor, with lots of laughs. She was a daily motivation to us and all of our visitors to see her heading out for daily walks in our hilly terrain neighborhood; cold, hot, rain or shine beyond age 86. She was an inspiration and great friend. She will be terribly missed. You are all in our thoughts and prayers. Ray, Jerred and our family.
