“ *I am so sorry to hear of our friend passing. Joanne was always so special. I attended school and graduated with her from Walhalla High School.*

I did not see her for years, but I have a memory as to the last time that I saw her. (at a class reunion)

She was always a riot with her comedian ways and made everyone laugh and crave more of her company. She will be sorely missed.

We love you, Joanne.##imported-begin##Wanda (Deal)

“ I was honored to have served as a homebound teacher for JoAnn many years ago. She always had a smile and was an inspiration to me and so many others. While she did not give in to her physical limitations, she touched many by her loving spirit. I am the richer for having known her.

“ To JoAnn's Family,
I was saddened to hear of JoAnn's passing. She will always be remembered as being very "spirited" and that she was, whether she was keeping you on your toes, talking Tiger talk or joking and laughing she was a full of spirit!
We shared something not too many people share, that being Rheumatoid Arthritis, and we shared doctors for awhile also, Dr. Riddle, when he had both of us for his patients.
My thoughts have been with you, and will continue to be during this difficult time..Just allow The God of Comfort to be with you.###imported-begin###Glynes Mauldin###imported-end##

“ Mrs. Roger, Donna and Family:

Jerry and I are so sorry to hear of Joann's passing. We have thought about her often and still have a laugh or two thinking of the good times we had with her. She certainly did fill the spot of "dynamite comes in small packages". She definately was one of a kind and that kind was a dear friend that could lift your spirits just by being in the same room with her. She will be greatly missed but I am sure that when she took her last breath she busted the doors of Heaven open wide with her smile :) Your family is in our prayers for comfort during this time.

Love,

“ I will truly miss JoAnn. The last time I spoke to her was when she was at the same location that my Daddy (Waldow Emerson) was, so me and my sister got to sit with her for a good while. I remember hanging out with her, her sisters and friends many years ago and I've pretty much known her most of my life. She was a beautiful person that was always laughing and I will miss her alot.##imported-begin##Cathy Emerson Ancona##imported-end##
