“ *Granny you were a true blessing in our lives. I could never thank you enough for all the help you stepped up and took on of raising Tristan while I wasn't there. We're all going to miss you so much but Tristan especially, as soon as his eyes open every morning he's down out of that bed to go see and check on "his granny." We love you so much and promise you that we will take the best care of him, watch over us. WE LOVE YOU*
