“ *It was a pleasure to work with Joby many years at the school district. She was always smiling at everyone and I never saw her angry in all those years, which says a lot about her character.*

She was loved by all of us.

My prayers and thoughts are with all of you at this difficult time.

“ *Mrs Joby was the best patient a nurse could ask for. She was always kind and never wanted to be a bother to anyone. She always remembered me through the years of caring for her and her husband. She was a very special lady that loved her family very much. I am so sorry for your loss. Heaven gained a very special angel.*
