“ *I know its kinda late but after I moved away I don't get news from Oconee like I used to. Joe was a good man, I met him when I was around 7 or 8. He was cutting hair with Mr. Sloan up on main street. The biggest thing that I remember was his smile. No matter how bad a day I had before I walked into his shop its like he could smile and you would forget all about it if only for a little while. I know that heaven is brighter with him there.*

I am deeply saddened to learn of Joe`s passing! Joe was a friend of many, and loved by all who knew him. We made music together for many years and he gave the "best flat-top" when they were in style! To his family, my deepest condolences. He will be sorely missed. Rod Albertson
