“ *I have many memories of Steve thru the the years. He taught me how to hook-up a vcr and several other hi-tech (at the time) things. He was the man to go too for electronic issues. You will be missed brother-in-law. ❤️🙏🏻*

“ Steve was such a sweet man many times, but, he really was such a big help when he played his guitar at the joint cook-out oyster roast that Jane Patterson and I had in our yards several years ago. He even stepped up and grilled everybody's steaks. Great guy and good friend
