“ *Dear Booty, I have so many fond memories of working with John through being on the Board of Our Daily Rest with him. He was a remarkable, compassionate man. He loved his family and friends as well as those who needed help in the community. I know how hard it is to have your loved one pass on and be with our Lord. I know John is up probably looking down on you and my Jim is with me in spirit also. Please feel free to call me at 882-5788 should you need to talk with me since I was where your are almost a year ago (9/10/12). Jim passed away 4 days after our 43rd anniversary. You and your family will remain in my prayers. Shelley Tagtmeyer*

“ *Dear Booty, John will always hold a special place in my thoughts and heart. Working with him on the Board of Our Daily Rest was a such a rewarding experience.*

I will share that it is difficult, especially the first year. Jim's unexpected death was 9/10/12, with the 1st anniversary coming soon. Please feel free to call me at 882-5788 anytime you need someone to talk to that has also lived through this unfortunate experience. I've learned many things about myself and other things as a result of Jim's passing. Please know you are in my thoughts and prayers. I will add you to my church's prayer list, Trinity Baptist. I know John looks down from above and lovingly watches over you and your family. Lovingly, Shelley Tagtmeyer

“ *John was my friend and mentor over the past eight years. I will sincerely miss him. However, I firmly believe he is God's kingdom free from all suffering and I rejoice in that thought.*
