“ *We came to know Billy as customers, and could not help but love him. He exuded kindness and great warmth. With each extended conversation, he more and more exemplified my favorite quotation by R. W. Emerson: "Make the most (and best) of yourself, because that is all there is." He filled himself up with the life force. He was such a good man and a special genuine man..*
With love and respect,

“ *So sad to see this news of Billy's passing. I met Billy years ago when we both worked at Taylor-Wyman Company. He was such a nice person and when we would run into each other we always talked about that time we worked together and how we and our families were doing. Thoughts and prayers to the family and friends of Billy.*
