“ *The highlight of any family gathering and would give you his last
piece of clothing or penny in his pocket. God gave him girls and we
loved him very much. There are many reasons to love him and miss
him. It's a true shame life gets so big with family and additions or
moves away to NOT see family as we should and there was a time
that's all we saw. Dud and Jan would sit for hours talking with you
on the front porch over a meal or coffee and sweets! I will love you
both forever and a wink!!*
