*Just wanted you to know that we loved Uncle John very much. He was so special to the both of us. He also treated us like we were his own grandkids. We are going to miss him, but we will see in Glory. He was one of a kind, who we will never forget us putting us on his knee and bouncing us.##imported-begin##Katrina, Crystal Elliott##imported-end##*

“ Amy and family,

*Your whole family are in my prayers. I know this is a tough time but know that your grandpa is in a much better place, walking the golden streets of heaven. You have been a comfort to me over the past couple of years with my losses, I hope to repay the kindness. Myles is doing great, no worries. We love taking care of him. Sig likes it more, Daisy is ok. Take care and love you.*

“ My thoughts and prayers are with you all at this time.

*I remember many things about Uncle John. He let me and my brother ride his riding lawn mower in the back yard when we would come to visit. (and I almost ran down a newly planted tree and he stopped us before we did a lot of damage.)*

*I remember staying with you all when Ted Jr was born. I have many fond memories, of when he was pastoring and more.*

*Aunt Ada, Keith, Elaine and the rest of the family..I know he will be greatly missed by you. He was a wonderful man.###imported-begin##Jacqueline Smith Crawford###imported-end##*
