“ *Please accept my heartfelt condolences to you and your family on the loss of your husband. When you see somebody that has not been able to live their life to the full, one may wonder why man has to die at all. But be assured, God gives us his personal promise found in the Bible at Revelation 21:4, where God tells us that very soon he will do away with death and sickness from the Earth forever, and then he will resurrect Dallas to perfect life here on a fully cleansed Earth, being reunited with family and friends and being able to experience life as God meant it to be, which has always been God's purpose for mankind and for his earth.*

“ Dallas was my bus driver when I was a kid aged 12-13 in 1988 or so. We were stopped at boy named Freddie' house to drop him off when a girl on the bus had a seizure. Dallas recognized the problem and as I recall he was training to be or was a paramedic or volunteer fireman. He took decisive action and aided the girl until an ambulance arrived. I heard later he caught some flak from the school district for performing immediate action aid on the child, assuming the policy was to sit back and await an ambulance. Being a Boy Scout at the time I knew enough about first aid to know he did the right thing. I'm certain his actions made a difference in the care of that girl.
