“ *We met John and his wife Millie at his daughter Delaine and husband Ed home. We shared many good times, at Easter's, 4th of July's, Halloween's, Birthdays, etc. John was a man of few words, not a talker, he was a listener. We knew that he was in the army, he loved his country, and Millie so much. He collected cars and enjoyed meeting with people who shared that interest. He and Millie traveled the country to the cars shows and have a great time after he retired from a long service to many places. He was a hard worker and wanted to live in the mountains when he retired. He build his dream home. He will be missed by his wife, his children, his grandchildren, and friends. Rest in peace John. May God receive your soul.*

“❤️ John was a good man, always willing to lend a helping hand to anyone. He lived his life with gusto, NEVER slowing down and with no regrets. I bet he is in heaven now chopping wood, playing softball, working on his antique cars & boat, clogging, directing people to their seats from St. John's Church and most likely the security guard for all of heaven. He loved his family and was so proud of their accomplishments. And Millie, his anchor, a faithful wife & wonderful mom and grandmother was always by his side and in those lost hours comforting him through his pain and most difficult hours. I will miss my cuz. Rest In Peace dear John . 🙏

“ My deepest sympathy to you in your loss. I first met John in 2013 (I think) when I was his physical therapist. I was new to this area and it was my first day on my new job at LifesStrides Physical Therapy.. John had had a surgery on his shoulder and his first question to me was "Can I be ready to play softball by the end of the season"? We started talking about softball and Euchre and it didn't take him long to convince me to join both the senior softball team and the Euchre Club. Since then, it feels like I saw John more often at physical therapy than I did at either softball or euchre. I loved John's dry sense of humor and I really admired his commitment to help folks new to the area find a fit for their social outlet needs.I never got to play softball with John (I injured my knee at the first practice) but I always looked forward to seeing him at euchre and I requested that John be added to my list of patients when he needed therapy. I just loved John and I will miss him.
