“ My deepest sympathies to Coach Lynch’s family. He was my favorite teacher at NCSH ‘75. I’ve often thought of him with fond memories. He wasn’t only interested in our education but also our lives. He’d listen to my stories and Debbie Ferguson’s and shake his head with astonishment, probably wondering how in the world we ever made it this far. Not many teachers looked past passing grades...but he did and he cared.

Condolences to all of his family. I know he will be missed.
