“ *Annette and family,*

I am so sorry to hear of the passing of your beloved husband and father. I never got to meet John other than thru the stories of everyday life that Annette blessed us with at Pine Street Elementary. It has been many years since I have seen or spoken with Annette but I will always remember that whatever Annette and "the girls" needed Johnny provided from the heart. His love for his family was always reflected thru Annette's stories. You have my deepest condolences during this time of profound loss. Remember that John is resting now and watching over you all. Keeping you in my thoughts and prayers.

“ *Annette and family,*

Betty and I are really saddened by Johnny's passing. He was one of my best friends all through school and we had a lot of fun together, especially playing football as early as 1st grade. Lots and lots of memories are coming back. One is of Johnny leading Tad O'Dell and me on a sprint across the 50-yard line at half-time of the '64 Gator Bowl, displaying the large State Championship banner. (Don't know how we got away with that). Another is of Johnny and his dad getting me a ticket and taking me to a sold-out Clemson-Carolina game before I left for Vietnam in 1971. Just two of the many good times we had. This past Monday I kept thinking of Johnny and told myself I needed to call or email him soon. Sure wish I had not procrastinated on this. Our sympathy and prayers are with you all.

“ Oh, Annette and Family, we are so sorry to learn of John's passing. What a friendly man John was. I will always appreciate his friendship and kindness to my brother, Bobby Lee. John seemed to always support you, Annette, in every activity at school and in life . That is a wonderful quality in a husband. Praying for peace.

So very sad and prayers and good thoughts for family. George always considered Johnny his best friend and loved him like a brother. Peace and blessings be with you during this time.

George spent the day yesterday going over all of his memories of time he and Johnny spent together. The late afternoon that George and I headed to the beach for our honeymoon Johnny and several others were waiting for us on the side of the road on the way to Columbia. We lived in an apartment right up the street so we were always together.
