“ Met John one day while he was working at Sertoma Field. He spoke first and called my name. I stopped to chat and to ask if he were a former student of mine. Nope. He was the DAD of some former students of mine. We talked about Glenn especially and then his daughters. We agreed after that chance meeting, he would no longer call me Mrs. IF I would call him John Boy. Nice man and a very hard worker. Our sincere sympathy to John Boy's family.
