“ If you knew Leland you know what a giving man he was. When we were just teenagers he would let Lita drive his jeep. We would pile at least 6, if not 7 of us in and cut town on Sunday afternoons. We would run out his gas and then pool our money to get more. Now that is a giving man to let teens drive his new jeep. I am sure that's where my love for the Renegade started. He loved his family and was so proud of them all. He will be missed by all of us who knew him.

“ Leland was always a very pleasant man and he truly cared about people, especially his family. I will never forget his almost daily calls to Mel particularly in the last few months of her life, just to check on her or to see if she needed anything. He was an exceptionally caring sibling. I will surely miss his visits to the farm here at Bear Swamp with his little dog who found great interest in the cows. We will all miss Leland and his calm, pleasant demeanor. This very large, extended family has lost a very sweet man!
