“ *" BIG JOHN " wow what a name he had, a name that was known by all and remembered by all that met him!! I thoroughly enjoyed going to his lawn mower repair shop and just sitting and listening to John share his life and all the fish tales he had of Santee Cooper and his fishing trips and watch the movies he had made while fishing as he was the MC of the movies, very funny but professional!!! He also had a degree Clemson as a master mechanic on Briggs and Stratton engines!! I would go there and eat boiled peanuts with "John's " recipe!! I always kidded John about becoming Mayor of Newry and he would always tell me not until I leave here no one will be mayor except me!! I visited with John about a month before his passing and he shared with me about the tumor the doctors had found and he said " Reg, I am not going to take any treatments, God has blessed me with 86 happy years, I have been blessed with good health, wonderful family and many friends and lived a happy life, I am very thankful and am ready for whatever God's plan is for me!! John as I told you 2 weeks ago, I love you John!! May you rest in peace " BIG JOHN " Reg Head*

“ How well I remember Big John and Dessie coming to our house and bringing their daughters and sons. He always was kind to us McCoy children. My late daddy, Charles, really liked Big John. My late mother, Mildred, had a good friend in Dessie. So sorry for your loss. Big John would do anything for anyone. May God bless each of you during this sad time and loss in your family.

“ *So many great memories of the whole family. There really isn't enough room on this page to share all the great experiences I've had with Big John and what Big John meant to me and my family. Big John and Sissy were the patriarchs of the Taylor family. From seeing them both standing on the sidelines at Newry ball games to fixing lawnmowers in Big Johns shop. Big John is one of my very best friends and always a pleasure and delight when we were together. He treated me and my family as one of his own and I love and appreciate him for that. His jovial greetings will be sorely missed. He lived a full life with no regrets. I will miss him a lot. Love ya Big John!*
