“ *Jonnie, I come to visit his page every day, I read over and over and still can't wrap my head around it. I love you and the kids dearly. Even though I have been through this twice, Losing Diana & Haley, my heart aches so much. We WILL get to reunite with them someday, but knowing that doesn't stop our flesh from wanting them back. Forever gone in body but not in spirit. I loved him very much. 💔💔💔*

“ I've had health problems for years, and through out the day John would always stop whatever he was doing to ask me if I was okay. And after my husband Jeff died he worried about me even more. ( I love you for that John. (I'm okay hun). And tell Jeff that I'm okay and I love him too. One day we will all be together with no more sadness or sickness, singing God's praises. Johnny Faye, I cannot even imagine what you and your family are going through. I pray that God holds you close and gives you the comfort and rest that you need. I love you all.
