“ Nancy, it has been years since we saw you, but it was always a good time when we did. I think of you often as I use a couple of the recipes you shared with me when were doing various newcomers dinners. My heart goes out to you. Hope you are surrounded with many hugs. Sending our prayers.

“ Not a day has went by that I have thought of you guys. I called on Tuesday morning to see if John was still with us and he was. Then he slipped away that day. I so enjoyed taking care of John and spending time with you and Nicklaus. Your days will be different but remember you have great friends and you have us. Hope you can come to the bereavement group. Hope you will come by when you are ready. I don't think I will ever forget you and Nicklaus. ❤️❤️😭  
😭 my sweet friend. Reach out to me at my work if you ever need me. Gwen RN.
