“ *Ginger: I was sorry to hear about Jay's passing. He was a wonderful person. I enjoyed working with him at Prudential in Atlanta, GA. He was so generous, times when he invited the staff to enjoy an afternoon outing at your pool in Dunwoody and enjoy some good food.*

In conversations about life in general, we all knew you were the light of his life, he was so proud of you.

My thoughts and prayers are with you at this time. Trust that the Lord will comfort your heart.##imported-begin##Connie Delong##imported-end##

“ *I am very sorry to hear of your loss, during this time we all want to see our loved ones again. Do you think it is possible? It is! In John 5:28,29 Jesus promised that "those in the memorial tombs will.... come out." Resurrected humans will have the opportunity to live on a paradise earth, with perfect health and everlasting life. Isn't this a comforting thought? I hope you can find comfort in this scripture. Please accept my deepest sympathies.##imported-begin##D Richmond##imported-end##*
