“Pete has always been a Special friend to our family. He will be missed by family and friends and all the people that knew him from Horse camp. He was always friendly and had a Heart of Gold! He was always friendly even to people he had just meet at the Whetstone Horse Camp. He knew this place like the back of his hand. He would always come sit with us and talk for a long while. He is one Special person that will be missed and never forgotten. We will be praying for Lynn and all the family!
