“ I have fond memories of Mr. Capps from Pine Street Elementary. He was a wonderful, God-fearing man. He always talked about his faith in God. We all loved him and he loved everyone. The children especially loved him. I know he was a wonderful husband, father, grandfather and friend. He always bragged about his wife and children and grandchildren. He left a legacy in his family. He will be missed.

Please know that his loved ones are in our thoughts and prayers.##imported-begin##Roger and Carolyn LeCroy##imported-end##

“ I am so very sorry and saddened to hear of Mr. Capp's passing. I know he has had many health issues but that doesn't diminish how much he is and will be missed. I loved him! He was so very kind to everyone but his kindness to me over the years is a true treasure. I still remember so fondly the mornings I had planning period during 1st period at Pine Street. I would go into his room/snack room and buy a Cinnabun and diet soda. We would start the morning with the sounds of his country music softly playing from his radio, some chuckles and he always would share some pearls of wisdom. I loved his suspenders and especially his Christmas ones:)...his generosity (yummy baked goods from "the Mrs's") as he would say with a big smile...and his woodworking skills. I treasured the reindeer and the bird house. I know where your family gets their kind nature and concern for their neighbors. Heaven is rejoicing now that his spirit has been lifted...Everywhere he goes he touches lives:) I will never forget him and will miss him. Please accept my prayers for your family during this difficult time.

*My sympathies, prayers and love to all of you!*
