“ Once we met Mr. Pelfrey through Sherri and Jeff, we also were calling him Papa P. One of our best memories about him was spending a few days at Edisto when he and Miss Hassie were there with Sue, David, Sherri, Jeff, Mackenzie and Jon Harris. He kept us entertained when we were not on the beach. Another great memory was the many times we went to Miss Ruby's for the big Halloween gatherings and getting to listen to his many stories. Also, seeing him in The Steak House a couple of times around 10:30 on Sunday mornings and he would ask me if I had skipped church, and my reply was always, "I believe you did, too", and then he would chuckle. It has been a pleasure knowing him throughout the years and remembering his devotion to Miss Hassie. To all the family, thanks for taking care of him these last several years and especially the last several months. You have done well, my friends, and Miss Hassie would be so proud of you. We love you all. Louise and Clarence
