“ The Hammett family remains in my thoughts. Growing up with Drew was a true blessing. He was so handsome and was always brought up in giggly girl conversations from elementary school and beyond. What a sweet guy. Continuing to keep you all in my thoughts and prayers.

“ I'm really depressed to learn of the passing of Drew Hammett. We were friends briefly in Mississippi and Texas. I had tried to track him down to reconnect for years and in doing so this year I found this obituary. He was a good kid with a big heart. We got along surprisingly well for a Yankee and a southern boy. I wish I could have stayed in touch with him over the years but have nothing but positive memories. He was the only guy I knew that had enough confidence in himself to admit to watching soaps in addition to a borderline obsession with the TV show Cheers. We would debate the merits of the Big Ten and the ACC and he would watch College Football at my house every Saturday while in Texas. I extend my deepest condolences to his friends and family.

“ I worked with Drew for a short time at Clemson in Sistine Hall. I enjoyed getting to know him--he was a great guy and always had a smile on his face. I know he will be dearly missed by so many. Praying that God will wrap His arms around your family and draw you close to Himself during this difficult time.  
"...my soul is downcast within me. Yet this I call to mind and therefore I have hope: Because of the Lord's great love, we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness." Lamentations 3:20-23
