“ We are completely heartbroken for you all. Jon was an absolutely fantastic dad and man. Cindy and Landon, we have known you all since the kids were at Ravenel. Case was so glad to finally play on a club team with Landon last fall and to face off in high school ball, and we always loved running into Jon and you. He will be deeply missed by many, but especially by you. We pray for God’s comfort for you today and in the days to follow.

“ Cindy and family, I am so sorry for your unexpected loss and I have you all in my prayers. Jon fought a long fight. Jon was such an awesome Cristian, with no questions asked he would always volunteer to help in any way possible. Even lending a vehicle when needed for over a month. And he would not accept any money in return after our house and SUV burned. He was great to work with on church committees and really took every decision to heart and put a lot of thought and meaning into each one. He took the time to look at each decision or situation from every angle to make sure we thought about viable options before making a decision. He will truly be missed. What a great friend Jon was!

“ We are neighbors of Jon and Cindy and family. Jon was always pleasant and friendly, but I will never forget his going the extra mile to rescue the body of a kitten that had bitten/scratched me. The kitten died, so I asked him to take the kitten's body away (which he did), but I later found out I needed to take the body in to our vet's office for testing for rabies. Jon went back to his workplace and found the kitten's body. It was tested, and indeed it had rabies!. He went to a lot of trouble, and it showed what a good man he was. He and Cindy brought up 3 productive, responsible children, and we are lucky to have them for neighbors. We are so saddened, and Jon will be missed.
