“ *Uncle Joe was always stopping by and visiting with my father n law, Leon Baumgarner. They both enjoyed the time they spent together. I always enjoyed see him ride his lawn mower on Fowler Road. He will be missed. Praying for you guys.*

“ *We are so saddened to hear of Joes death! We will miss hearing his lawn mower going up and down Fowler Road! My two favorite memories are one morning while walking dogs hearing his lawn mower coming closer and hearing Joe singing as he rode by. The second memory is sitting in my front yard about 6 years ago with my grandson splashing in his wading pool with toys I heard Joes lawn mower getting closer and as he passed he swung down in our drive got off his lawn mower sat on the ground by the pool and started splashing the toys with us!!! 😊 I managed to get a couple of pictures I will share Shiela if I can retrieve them from my old card! He made an impact on our family and we loved him!!*
