“ When you were 17 I signed for you to join the marines so you could follow your hearts dream. My baby, my son, and the man you become surpasses any mother's vision of your success. Your love for family, your passion about life, and your smile. Although I have to let you go you will stay in my mind and heart forever and always. Love, Mom

“ *Josie and Family,*

I can't express how sorry I am for your loss. You are in my prayers during this difficult time. I really enjoyed working with Joseph at the Seneca Sealed Air facility. His work ethic and computer skills were 2nd to none and really helped us achieve several goals. He will truly be missed by his Sealed Air Family. I've included a couple pictures from a Mud Run we participated in a couple years ago. May God Bless You all during this most difficult time.
