“ *Robert, Connie and families,  
Want you to know that you are in our thoughts  
and prayers as you go through these hard  
days ahead. We too sorrow in the loss of your  
Dad and our friend of many years now. We  
shared our youth together, and we shared as members of the same  
family all these years. It makes us realize how that time passes so  
quickly and we all soon will face the end of our lives here. We are  
so thankful that your folks and ourselves have our faith and trust in  
the Lord and we will see them again in Heaven.  
We love you and will be thinking about you on Wed.  
Aunt Lucy and Uncle Gary*
