“ I am very blessed to have so many fond memories of Joe. I will always cherish the memories of the country music "jam sessions" we had together in the Culbertson home . Joe had a deep appreciation and knowledge of traditional country music and was very willing to encourage and support a teenager who played an old flat top guitar and sang the songs of a bygone era that he had personally experienced.

Joe was a positive role model to me, as well as others in the local community. He was a true gentlemen and a great friend. He will forever be missed.

“ Pat, Donna, Barry and all the family. Love and Prayers to you all. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why he left this earth so soon, or why he left before we were ready to say good-bye, but little by little, we begin to remember not just that he died, but that he lived. And that his life gave all of you memories that will never be forgotten.
