“ *I will always remember Josephine's laugh and her excitement, when she spoke of her grandchildren and the love that she has for her family. Her devotion to Jesus was such an important connection in her lifetime. She loved going to church and hearing the minister's message of love and hope. I will miss her and the visits we shared. My love goes out to her soul and pray for her joy and love to be shared in the heaven world. My prayers and thoughts go out to her family in this difficult time. May your memories be filled with joy of sweet Josephine and her laughter. She was a devoted mother and grandmother.*
