“ *Joyce was an active member of the Foothills Garden Club for over 20 years and we will miss her involvement. A planting will be dedicated in her memory, as per club custom, in the fall. We hope that many happy memories will help her family through their adjustment to life, without her in it.*

“ So very, very sorry. Sending thoughts to all of the family. Auntie Joyce (AJ) had a heart of gold. Back some 50 years ago our two families would rent next door cabins along a lake in Wisconsin for vacation. It was before dinner and the adults were in the kitchen and the kids playing on the floor, and it was Joyce who got down on the floor to play with us. I won't ever forget that.

“ Charlie I knew Joyce as a co-founder and co-facilitator of the Keowee Key Memory Care Support Group, and was fortunate to have had her help and support. She was always energetic and helpful with ideas and suggestions to the members of the group. She will be dearly missed.

“ I've only known Joyce for a few years. She was so very kind while helping me when I became the SE Div Vice in the MCLA. She will be missed by so very many people. My prayers to her husband, children and family.
