“ To my Aunt Joyce. Thank you for all the memories that you gave to me. We loved looking at old photos with you in the hospital. Even the nurses came in and shared with you because they knew how sweet and kind you were.

*I wish I could've spent more time with you. We got here a little too late but our hearts were with you.*

*You don't have to worry about our little Sister. We will take care of her not like you but we will do our best. 💕💕💕*
