“ Joyce i will always Love you and will always remember all the happy times we had together especially when i stayed with you those 6 months in 2013. You have Always been like a Sister to me because we spent so much time together growing up. I know you're not suffering now but you have a new body and all pain and sickness and death has passed away forevermore. I know you're rejoicing in the Presence of the Lord and spending time with Fonda, Mama and Dad and yes Little Kelly is there too: And please tell my Mama I miss her and will Always love her and to keep looking for me For I Will Be There too soon and very soon!!!
